

GRC 2021 STOCKHOLM

Governance, Risk & Compliance

INTERACTION FOR GREATER VALUE

For the seventh year in a row, IIA Sweden, Compliance Forum (Swedish organization for Compliance Officers), ISACA (IT-governance professionals), and SWERMA (Swedish chapter of the federation of Risk Management Association) are hosting the **GRC Conference** in Sweden. The Conference takes place in **Stockholm**, in **the spring of 2021**. The Conference theme is **Interaction for Greater Value** and aims at strengthening the cooperation between the audit and internal control functions, to contribute with added value within the organizations. The audience encompasses a wide spectrum of the audit and risk management community.

For Audit and Internal Control professionals in Sweden, this is the most important event of the year and we would like to invite your company to become a part of this event. You will have the opportunity to present your company in front of, and interact with hundreds of top decision makers from Sweden, as well as come into contact with prominent customers.
